

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF WEST VIRGINIA

UNITED STATES OF AMERICA,

Plaintiff,

v.

CRIMINAL NO. 1:05CR48
(Judge Keeley)

JULIA DALTON,

Defendant.

**ORDER ACCEPTING AND ADOPTING MAGISTRATE JUDGE'S
RECOMMENDATION THAT DEFENDANT'S GUILTY PLEA
BE ACCEPTED AND SCHEDULING SENTENCING HEARING**

On July 28, 2005, defendant, Julia Dalton, appeared before United States Magistrate Judge John S. Kaull and moved this Court for permission to enter a plea of GUILTY to Counts Two and Twenty-Two of the Indictment. The defendant stated that she understood that the magistrate judge is not a United States District Judge, and consented to pleading before the magistrate judge. This Court had referred the guilty plea to the magistrate judge for the purposes of administering the allocution pursuant to Federal Rule of Criminal Procedure 11, making a finding as to whether the plea was knowingly and voluntarily entered, and recommending to this Court whether the plea should be accepted.

Based upon the defendant's statements during the plea hearing and the testimony of United States Postal Investigator Anthony Branch, the magistrate judge found that the defendant was competent to enter a plea, that the plea was freely and voluntarily given,

that the defendant was aware of the nature of the charges against her and the consequences of the charges against her and the consequences of his plea, and that a factual basis existed for the tendered plea. On August 2, 2005, the magistrate judge entered an order finding a factual basis for the plea and recommended that this Court accept the plea of guilty to Counts Two and Twenty-Two of the Indictment.

The magistrate judge also directed the parties to file any written objections to the report and recommendation within ten (10) days after service of the report and recommendation. The magistrate judge further directed that failure to file objections would result in a waiver of the right to appeal from a judgment of this Court based on the report and recommendation.

The parties did not file any objections. Accordingly, this Court finds that the magistrate judge's recommendation should be **AFFIRMED** and **ACCEPTS** the plea of guilty to Counts Two and Twenty-Two of the Indictment.

The Court **ADJUGES** the defendant **GUILTY** of the crime charged in Counts Two and Twenty-Two. Pursuant to Fed. R. Crim. P. 11(e)(2) and U.S.S.G. § 6B1.1(c), acceptance of the proposed plea agreement and stipulated addendum to the plea agreement, is **DEFERRED** until

8. The Court continued defendant's unsecured personal recognizance bond in order to ensure his appearance before this Court at such times and places as the Court may direct with the standard conditions of bond.

It is so **ORDERED**.

The Clerk is directed to transmit copies of this Order to counsel of record, the defendant and all appropriate agencies.

DATED: August 18, 2005
